The Homeowners Association may enforce collection of amounts owed by the Owner personally obligated to pay the Maintenance Charge and other charges or assessments levied hereunder or foreclose the lien against the Tract, regardless whether the current Owner has personal liability for the payment of same; and all interest, costs and reasonable attorney's fees incurred in any such action shall be added to the amount of any such Maintenance Charge and other charges and assessments levied hereunder in accordance with the Code. Each such Owner, by his acceptance of a deed to a Tract, hereby expressly vests in the Homeowners Association or its agents the rights and power to bring all actions against such Owner personally for the collection of such Maintenance Charge and other charges or assessments levied hereunder as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens against real property, including foreclosure by judicial action brought in the name of the Homeowners Association or by nonjudicial foreclosure pursuant to the Code, and such Owner hereby (i) expressly grants to the Homeowners Association in extra judicial power of sale in connection with the nonjudicial foreclosure of said lien, and (ii) in addition expressly grants and vests in the Homeowners Association the right, power and authority to exercise such power of sale through a trustee (or substitute or successor trustee, as may be the case from time to time) appointed in writing by the Homeowners Association acting by and through its duly authorized Chairman. If the trustee appointee designated by the Homeowners Association to exercise the power of sale and to conduct a foreclosure sale in accordance with the terms of these Restrictive Covenants shall die or become disqualified in his execution of the power of sale, or shall fail or refuse to exercise the same when requested by the Homeowners Association, or if for any reason, the Homeowners Association shall prefer to appoint a substitute trustee to act instead of any appointed and designated trustee, the Homeowners Association shall have full power to appoint at any time by written instrument, a substitute trustee, and if necessary, several substitute trustees in succession who shall succeed to all of the estate, rights, powers and duties of the trustee under the terms of these Restrictive Covenants, and no notice of such appointment need to be given to the Tract Owners or to any other person except the filing for record in the office of the County Clerk of Gillespie County, Texas.

B. In the event that the Homeowners Association has determined to nonjudicially foreclose the lien provided herein pursuant to the provisions of the Code and to exercise the power of sale hereby granted, the Homeowners Association shall mail to the defaulting Owner a copy of the Notice of Trustee's Sale not less than twenty-one days prior to the date on which said sale is scheduled by posting such notice through the United States Postal Service, postage prepaid, certified, return receipt requested, property addressed to such Owner at the last known address of such Owner according to the records of the Homeowners Association. If required by law, the Homeowners Association or Trustee shall also cause a copy of the Notice of Trustee's Sale to be recorded in the Real Property Records of Gillespie County, Texas. The Homeowners Association, acting by and through a duly authorized officer or the Trustee and on behalf of the Tract Owners, shall have the power to bid for the interest foreclosed at any foreclosure sale

conducted pursuant to the terms hereof and to acquire and hold, lease, mortgage and convey such interest on behalf of the Tract Owners. Out of the proceeds of such sale, if any, there shall first be paid all expenses incurred by the Homeowners Association in accordance with the Code. Following any such foreclosure, each occupant of any such Tract foreclosed on and each occupant of any improvements thereon shall be deemed to be a tenant at sufferance and may be removed from possession by any and all lawful means, including a judgment for possession in an action of forcible detainer and the issuance of a writ of possession thereunder. Further, each Owner, by acceptance of a Deed to a Tract, hereby stipulates and agrees that the recitals contained in any Trustee's or Substitute Trustee's Deed or other instrument executed in due form by any trustee or substitute trustee, acting under the provisions of these Restrictive Covenants, shall be prima facie evidence of the facts recited therein, and that it shall not be necessary to prove in any court, other than by such recitals, the existence of the facts essential to authorize the execution and delivery of such deed or deeds or other instrument in the passing of title thereby, and all prerequisites and requirements of any sale or sales shall be conclusively presumed to have been performed, and all persons subsequently dealing with the interest purported to be conveyed by such deed or deeds or other instrument shall be fully protected in relying upon the truthfulness of such recitals.

C. It is the intent of the provision of this section to comply with the provisions of the Code Sections 209.007, 209.008, 209.009, 209.0091, 209.0092, 209.0093, 209.0094, 209.010, and 209.011, as amended relating to nonjudicial sales by power of sale. Hereafter, the Board of the Homeowners Association, acting without joinder of any other Owner or mortgagee or other person may, by amendment to these Restrictive Covenants filed in the Real Property Records of Gillespie County, Texas, amend the provisions hereof so as to comply with said amendments to the Code.

D. The Homeowners Association shall prepare alternate payment schedule guidelines and file it of record in accordance with §209.0062 (A) and/or (B) of the Code and otherwise comply with such Section and §209.0063 of the Code.

5. Liens Subordinate to Mortgages.

Any liens described in this section and the superior title herein reserved in favor of the Homeowner Association shall be deemed subordinate to a first lien or other liens of any bank, insurance company, savings and loan association, university, pension and profit sharing trusts or plans, or other bona fide third party lender, including Developer, which may have heretofore or may hereafter lend money in good faith for the purchase or improvement of any Tract and any renewal, extension, management of refinancing them. Each such mortgagee of a mortgage encumbering a Tract who obtains title to such Tract pursuant to the remedies provided in the deed of trust or mortgage or by Judicial foreclosure shall take title to the Tract free and clear of any claims for unpaid Maintenance Charges or other charges and assessments against such Tract which accrued prior to the time such holder acquired title to such Tract. No such sale or transfer shall relieve such holder acquiring title to a Tract from liability of any Maintenance Charges or other charges or assessments thereafter becoming due or from the lien thereof. Any other sale or transfer of a Tract shall not affect the Homeowners Association's lien for Maintenance Charges or other charges and assessments levied hereunder. The Homeowners Association shall make a

good faith effort to give each such mortgagee sixty days advance written notice of the proposed foreclosure of its respective liens in accordance with this section, which notice shall be sent to the nearest office of such mortgagee by prepaid United States registered or certified mail, return receipt requested, and shall contain a statement of the delinquencies or other charges or assessments upon which the proposed action is based; provided, however, the failure to give such notice shall not impair or invalidate any foreclosure conducted by or on behalf of the Homeowners Association pursuant to the provisions of this section.

6. Purpose of the Maintenance Charge.

The Maintenance Charge levied by the Homeowners Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the Property, in particular, the Maintenance Charge shall be used for any improvement or services in furtherance of these purposes and the performance of the Homeowners Association's duties described in this section, including the maintenance of the Common Areas and the establishment and maintenance of a reserve fund for maintenance of the Common Areas. The Maintenance Fund may be expended by the Homeowners Association for any purposes which, in the judgment of the Homeowners Association, will tend to maintain the property values in the Property, including, but not limited to providing funds for the actual cost to the Homeowners Association of all taxes, insurance, repairs, energy charges, replacement and maintenance of the Common Areas as may from time to time be authorized by the Board of Directors of the Homeowners Association, and other facilities, services and activities as may from time to time be authorized by the Board of Directors, including, but not limited to construction, maintenance and operation of an administration and/or maintenance building, salaries of personnel and fees paid to independent contractors, mowing of grass and weeds within the Property and maintaining and caring for the Common Areas, rent or purchase of any equipment needed to perform the duties of the Homeowners Association and maintenance or replacement of such equipment, the operation, maintenance, repair and replacement of parks, recreational grounds and equipment and improvements, payment of all legal and other expenses incurred in connection with the collection and administration of the Maintenance Charge and other charges and assessments required by these Restrictive Covenants or that the Board of Directors shall determine to be necessary to meet the primary purposes of the Homeowners Association. Except for the Homeowners Association's use of the Maintenance Charge to perform its duties described in these Restrictive Covenants and in its Bylaws, the use of the Maintenance Charge for any of these purposes is permissive and not mandatory. It is understood that the judgment of the Homeowners Association as to the expenditure of said funds shall be final and conclusive so long as such judgment is exercised in good faith.

7. Exempt Property.

The following property subject to these Restrictive Covenants shall be exempt from the Maintenance Charge and all other charges and assessments created herein:

- (a) all properties dedicated to and accepted by a local public authority;
- (b) the Common Areas; and

(c) all properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of Texas; however, no land or improvements devoted to dwelling use shall be exempt from said Maintenance Charge except as otherwise provided in this section.

SECTION 9. ENTRANCEWAY/MAIL BOXES

Mail boxes are located on Tract 1 and an entranceway to the Property at the subdivision's intersection with FM 2721. Mail boxes and such entranceway and the pad on which the mail boxes are located shall be part of and included in the Common Areas. The responsibility for maintenance, repair and illumination of the entrance way shall be an obligation and burden of the Homeowners Association. The Owners shall receive mail delivery only at such mailboxes, and no individual mailboxes and no mail delivery shall be permitted on or to any Tract.

SECTION 10. DURATION AND AMENDMENT

These Restrictive Covenants shall be binding and effective until December 31, 2014, A.D., at which time these Restrictive Covenants shall be automatically extended for successive periods of ten (10) years unless terminated in writing by the Owners of a majority of the Tracts within the Property.

The Owners of 67% of the Tracts within the Property may amend these Restrictive Covenants by executing an instrument waiving or amending the restrictions, protective covenants or conditions in these Restrictive Covenants, each Tract having one vote per Tract no matter the number of Owners. A Tract Owner shall be deemed to be the record owner of legal title as shown by the Real Property Records of Gillespie County, Texas ten business days prior to the first date such instrument is executed. Any amendments shall be in writing and shall not be effective until duly recorded in the Real Property Records of Gillespie County, Texas. A copy of the amendments as recorded shall be forwarded to the last known address of all Tract Owners.

SECTION 11. PARTIAL INVALIDITY AND WAIVER

If any term or provision of this instrument or the application thereof shall be held to be invalid, all other terms and provisions of this instrument or the application thereof shall not be affected thereby, nor shall any failure of the Homeowners Association or a Tract Owner to seek enforcement of or determination of the validity of any term or provision of this instrument constitute a waiver of any right to do so in the future.

SECTION 12. ENFORCEMENT

1. Right to Enforcement/Severability/Covenants.

The Homeowners Association and every other person, firm or corporation hereafter having any right, title or interest in any Tract or parcel of land in the Property shall have the right to enforce at law or in equity in Gillespie County, Texas, all restrictions and covenants in this

instrument. Failure to enforce any covenant or restriction shall not be deemed a waiver of the right of enforcement either with respect to the violation in question or any other violation. All waivers must be in writing and signed by the party to be bound. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provision, and all other provisions shall remain in full force and effect. These easements, restrictions, covenants and conditions are for the purpose of protecting the value and desirability of the Property. Consequently, they shall run with the Property and shall be binding on all parties having any right, title or interest in the Property in whole or in part and their heirs, successors and assigns. These Restrictive Covenants shall be for the benefit of the Property, each Tract and each Tract Owner.

2. *Attorney's Fees.*

If any controversy, claim or dispute arises relating to this instrument, its breach or enforcement, the prevailing party shall be entitled to recover from the losing party reasonable expenses, attorney's fees and costs.

3. *Liberal Interpretation.*

These Restrictive Covenants shall be liberally construed to effectuate its purpose of creating a uniform plan for the Property.

4. *Headings.*

The headings contained in these Restrictive Covenants are for reference purposes only and shall not in any way affect the meaning or interpretation of these Restrictive Covenants.

5. *Notices.*

Any notice required to be given to any Owner or otherwise under the provisions of these Restrictive Covenants shall be deemed to have been properly delivered when deposited in the United States mails, postage prepaid, addressed to the last known address of the person to whom it is addressed, as appears on the records of the Association at the time of such mailing.

6. *Disputes.*

In the event of any dispute, disagreement, controversy or claim arising out of or related to these Restrictive Covenants and/or any act or omission of any party hereto, the parties agree that such dispute, disagreement, controversy or claim shall be determined by arbitration under the commercial arbitration rules of the American Arbitration Association, which shall be commenced at any time by either party by filing a demand for arbitration upon the other party or parties. The arbitrator shall be selected by the mutual approval of the parties, and if no mutual approval is achieved within thirty (30) days, any party may petition a District Judge sitting in Gillespie County, Texas to appoint such arbitrator. The decision of the arbitrator shall be final and binding on all parties. The statute of limitations, estoppel, waiver, laches and similar doctrines which would otherwise be applicable in any action brought by a party shall be

applicable in any arbitration proceeding, and the commencement of an arbitration proceeding shall be deemed the commencement of an action for these purposes.
